## Update on new arrangements due to Covid 19 for Clients

Due to the unprecedented times the Letchworth, Hitchin & Baldock Foodbank is having to change how we function.

The need for food parcels to help the most needy and vulnerable in our community has increased but donations of food have dramatically dropped due to the various restrictions we all must follow.

In addition, many of our volunteers have had to self-isolate and self-distancing along with safe practices in our warehouse has become impossible.

**The Foodbank Management Committee and Trustees have taken the decision to stop issuing food parcels but to replace this with a supermarket card scheme.**

- From Monday April 6<sup>th</sup> we will no longer be supplying food parcels.
- If you need help you must obtain a referral voucher from a Referral agent who is working, e.g. Settle, CAB, Schools, Mental Health Support Teams, Churches etc.
- **Take the referral voucher to your local Distribution Centre. Opening times will remain Tuesday & Friday 10.00am to 12 midday.**

You will be asked to maintain social distancing, sanitise hands and follow safety guidance.

- A volunteer will process your voucher and issue you with a supermarket card to purchase food items at a designated local supermarket.

Our mission is to serve the people in our community who are in most need. We, however, all must play our part and follow the guidance to stop the spread of coronavirus.

Thank you.
