

Winter appeal

Help support your food bank this Winter

Last winter, we provided **16,902 meals** to those facing impossible choices living in Letchworth, Hitchin, Baldock and surrounding villages.

We have seen a **29% increase** in demand this year and we desperately need both food and money donations to meet the need in our community.

Donate food

Donate an item or two from our shopping list, ensuring we can provide food for people facing hardship in your community.

Donate money

Help to cover the costs of storing and distributing food, as well as developing sustainable projects.
